utilities, in which event the remaining portion of said lot or parcel shall, for the purpose of this provision, be treated as a whole lot or parcel; PROVIDED, that this restriction shall not prevent the conveyance of a part of a lot or parcel to an adjacent owner of a whole lot or parcel, after which time said whole lot or parcel and the adjacent part of a lot or parcel in such common ownership shall, for the purpose of these restrictions, be considered as one residential lot or parcel.

All structures or buildings to be erected or proposed to be moved or placed upon any lot or parcel shall be subject to the approval or disapproval of the "Agent" or committee having jurisdiction of said subdivision.

Trailers may be placed on any lot or parcel and may be used for dwellings subject to the approval or disapproval by the "Agent" or committee having jurisdiction of said subdivision.

Property owners may use their lots or parcels for camping; PROVIDED, that they maintain the premises in such a manner so as not to render the same unsanitary, unsightly, offensive or detrimental to any adjacent property or occupants thereof or any other property or occupants within the Ponderosa Springs development.

Toilets or sanitary facilities shall be erected or provided on each lot or parcel prior to any residential structure, building, trailer or camping facilities being placed or erected upon any lot or parcel and after placement upon premises shall be maintained in such manner so as not to be unsanitary, unsightly, offensive or detrimental to any adjacent property or occupants thereof or any other property or occupants within the Ponderosa Springs development; placement of sanitary facilities and the maintenance thereof shall be subject to the approval or disapproval of any Local, County or State Health Department and/or the "Agent" or Committee having jurisdiction of said subdivision.

No livestock or poultry, with the exception of horses, cows, and chickens, shall be kept or maintained on any of the above described lots or parcels. Livestock shall be limited to two (2) animals per acre and poultry to a reasonable number to be used for domestic purposes only. Morris or such person as he may appoint by instrument in writing and recorded in the Office of the County Recorder of Gila County, Arizona; PROVIDED, however, that the powers of said "Agent" shall vest in any Committee duly selected by a majority of individual lot or parcel owners after the number of lot or parcel owners in said subdivision exceeds one-half ($\frac{1}{2}$) of the lots or parcels in said subdivision.

Deeds of conveyance for said property or any portion thereof may contain the above covenants, conditions, stipulations and restrictions by referring to this document, but whether or not such reference is made in such Deeds, each and all of these covenants, conditions, stipulations and restrictions shall be binding on the respective Grantees.

The foregoing covenants, conditions, stipulations and restrictions run with the land and shall be binding on all parties and all persons claiming under them until July 6, 1995, at which time said covenants, conditions, stipulations and restrictions shall be automatically extended for successive periods of Ten (10) years each; UNLESS by vote of a majority of the then owners of lots or parcels in said subdivision it is agreed to change the same covenants, conditions, stipulations and restrictions in whole or part.

If there shall be a violation or threatened or attempted violation of any of said covenants, conditions, stipulations and restrictions, it shall be lawful for any person or persons owning any real property situated in said subdivision to prosecute proceedings at law or in equity against all persons violating or threatening or attempting to violate any such covenants, conditions, stipulations and restrictions and either to prevent him or them from doing so or recover damages or other dues for such violations.
